<<>>

ORDER:

In the G.O.1st read above, Government have suggested that there shall be a State Level Committee for evaluation, coordination and contribution for improving the financial status and image of Indo German Institute of Advanced Technology (IGIAT) as in the case of other externally aided project.

2) In the reference 2nd read above, the Commissioner of Industries, Andhra Pradesh, Hyderabad, has informed that Indo German Institute of Advanced Technology (IGIAT) has been set up under Indo German Technical Co-operation Agreement jointly by Government of Andhra Pradesh, Government of Germany and Gayatri Vidya Parishad, Visakhapatnam. The vision of the institute is to provide high quality, employment oriented training & qualification, consultancy and related services in advanced technologies, aimed at making industry globally competitive and at improving, employability of technical personnel including the disadvantaged groups of the society. The Indo German Institute of Advanced Technology is an Institute with the objectives of:

- Upgrading the Skills of technical personnel working in the industry as per the changing needs of the industry.
- Offering value added programmes for students of technical institutions to make them more employable.
- Providing necessary vocational skills to the members of the under-privileged sections of the society.

3) The Commissioner of Industries, Andhra Pradesh, Hyderabad has also informed that the Indo German Institute of Advanced Technology, as a sustainable, demand-driven and equity concerned project, is in line with the developmental policy of Indian and German Government. It is designed to provide technology based training, consultancy and information resources to its fast moving industrial clients and the upcoming generation of the technology specialists, who want to start their own small scale business. It is designed as a comprehensive center to serve the Industries of Andhra Pradesh and beyond with a focus on advanced technologies in the following areas:

Automation and Industrial Process Control.
Precision Manufacturing.
Infrastructure and Environmental Engineering
Soft Skills and Computer Technologies.

4) All training at Indo German Institute of Advanced Technology is society based & employment oriented. It is a blend of PPP model and touching every aspect of skill development and skill upgradation, good training programmes for the students for the improvement of their job opportunities are being planned and conducted. Institute is providing to the prospective employees are industry is looking for a trained man power.

(p.t.o)
